KICK-OFF DONATION CAMPAIGN

In addition to your membership, please consider making a tax-free donation to the Pioneer PTA for our Fall Kick-Off Donation Campaign. Your early donation will help us get the school year off to a great start!

Our year-long fundraising goal of \$75,000 will help maintain the PTA's current level of funding for enrichment and school programming – **that is approximately \$130 per student or about \$15 per month.** You will still have opportunities to donate through other fundraising efforts during the year, like our annual school auction (Fall), our Read-a-thon (Winter), and Dog Dash Jog-a-thon (Spring). **ANY amount helps!**
